

# HKCP ALUMNI ASSOCIATION

HK College Of Pharmacy ,Near MHADA Complex, Jogeshwari(w), Mumbai 400102

**Inaugurates**

**ALUMNI BULLETIN**

**ISSUE 1 - MARCH 2011**

## **OBJECTIVE**

- H.K.C.P. alumni association caters exclusively for ex students and is a unique platform for the advancement of aspiring students passing out from the institution where they can meet frequently and have communication.
- It pioneers the concept of distance learning as students are the future professionals who excel in their chosen career.

➤ Students learn basic skills in their college days and the knowledge acquired in their foundation days should be implemented at the professional level.

➤ In today's world of information and technology where information is just a click away, we strongly believe in the system of Gurukul where a successful student owes his achievement to his Guru who is selfless and a well wisher for him.

- Students remain students forever for their teachers and are always motivated and encouraged by their mentors.
- By this philosophy students blossom into confident, self-reliant and responsible individuals who can be a source of strength to the community.

# SPECIAL FEATURES OF ALUMNI ASSOCIATION

## **From the Editor's Desk,**

Dear readers,

It's a great pleasure to launch first issue of alumni bulletin of H.K.College of Pharmacy.

It is truly said,

**KNOWLEDGE IS INCOMPLETE UNLESS IT IS APPLIED AND SHARED.**

With the same theme we have started an Alumni Bulletin .  
It will be published quarterly.

It will be a great help for the students seeking the jobs, for writing any research /review articles also to update them about the emerging trends of pharmaceutical industries.

I request all of you to contribute any write ups , notes, articles and news for our forthcoming issues of bulletin.

Let us work together for the success of organization.

Sushruta Mulay.

President Alumni Asssocation and Scientific cell officer,  
HKCP. Mumbai
