

PARENTS TEACHERS MEETING (PTM)

Dr. Priyanka Goswami started the meeting with warm welcome to Parents and updated parents with activities and programs of the college:

- Career counselling & guidance session organized for Final Year B. Pharm.
- For Career guidance sessions experts from various Pharmaceutical Industries were invited for talk & students had one-to one interaction.
- Two days scientific program, i.e. National seminar along with poster competition on 26th September 2017 and TechCrunch on 27th September 2017 were celebrated. Student from different colleges participated and enjoyed the competitions like Quiz, Debate, Model making & Product packaging etc.
- Different health campaigns organized by Public Health Organization Committee of students, to create social awareness in the society and to bring about self-development of student.
- End Semester exam dates for theory and practical.

Dr. Anagha Raut shared that from Academic year 2017-18 mentoring system was started to track progress of students by tracking attendance, marks, discipline, behavior, by giving personal guidance and motivation. Also explained about tutorial session mainly started for solving doubts and practice of particular topic.

Parents were shown periodic test marks of their wards. Further they were advised to visit college website for regular updates about college activities.

- Organized on 11.11.17
- Co-ordinated by: Discipline Committee
- First & Second Year Parents
- Venue: H K College of Pharmacy, Third floor (Second Year classroom)
