Total no. of participating students: 14 (B.Pharm & M.Pharm)

Total no. of students attending the event: 27

Total no of Faculty: 04

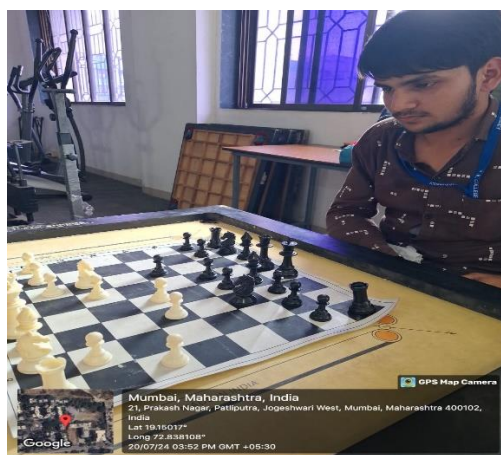

Summary of the Activity:

International Chess Day is an annual chess celebration held on July 20. International Chess Day is a worldwide celebration for chess which is initiated by FIDE, the International Chess Federation. FIDE's motto is "Gens una sumus," which is Latin for "We are one family." International Chess Day is a great way to celebrate that sentiment and to promote and show appreciation for our beloved game throughout the world.

H. K. College of Pharmacy hosted the Inter-House Chess competition to provide a platform to our students to improve their logical thinking, analytical reasoning and problem-solving. As the day of the Chess competition approached 14 highly enthusiastic students were all geared up to beat their opponents in nail-biting matches. Every contestant was given 15 minutes to make their moves. The result was decided either by the timer or by Checkmate. All the matches were knockout matches and the looser had to go out of the competition. The competition was a tough one with all the contestants putting out their best skills.

Finally, after a tough competition, the results were known, Mohammed Kaif, a student of Second Year B.Pharm has bagged the first prize.

Brochure/Photo Gallery:

Key Outcome of the Event: The International Chess Day competition was a resounding success, fostering a sense of community and enthusiasm for chess. The event not only highlighted the strategic and intellectual appeal of chess but also provided a platform for players of all ages to showcase their skills. The positive feedback and high level of participation have set a promising precedent for future chess events in our community.
