Summary of the Activity:

The Diwali celebration at HK College of Pharmacy was a lively and well-organized event, bringing together students for a day of cultural festivities and fun. The event kicked off with the host Ms. Sanobar Sayed (Cultural Secretary) and co-host Mr. Musharraf Sayed, welcoming everyone. They shared insightful words about Diwali, drawing parallels from the Mahabharata, setting the tone for the celebration.

The first performance of the day was a traditional dance, followed by a fun and energetic game of *Burst the Balloon*. The audience then enjoyed a beautiful musical performance by a group of students, adding to the festive spirit. Afterward, the crowd participated in the game *Snap, Clap, and Grab*, which brought lots of laughs and excitement. The event continued with another traditional dance performance, and then a thrilling round of *Paper Cup Stacking*, where participants showcased their skills and creativity. This was followed by yet another traditional dance, further adding to the cultural richness of the celebration. Next came the interactive and hilarious game *Dialogue Delivery*, where participants were asked to deliver famous lines in unique ways, adding humor and fun to the event. One of the highlights was the *Wheel of Fortune* segment, where a random participant was chosen by the wheel to receive a special gift hamper. The event wrapped up with a prize distribution for the winners of the various games, recognizing their efforts and adding to the festive mood.

The closing remarks were made by the General Secretary Mr. Amaan Tambu and the Cultural Committee In-charge Dr. I. Ramya, who expressed their gratitude and appreciation for everyone's participation. Overall, it was a vibrant celebration, full of energy, traditional performances, fun games, and a sense of community, bringing the students together to celebrate Diwali in a memorable way.
