Summary of the Activity:

HK Pharm-Engin 1.0, a model-making competition, was organized by the **Faculty of Pharmaceutical Engineering, Department of Pharmaceutics**, in collaboration with the **Institution's Innovation Council (IIC)** on **26th September 2026**. The event commenced at **1:00 PM** with the formal inauguration ceremony, marked by the **ribbon-cutting ceremony** performed by **Mr. Waseem Khan, Trustee**, and **Dr. Tushar Lokhande, Principal, H.K. College of Pharmacy**.

The event extended beyond the second-year B. Pharm Pharmaceutical Engineering curriculum, giving students an opportunity to showcase their knowledge, creativity, innovation, and practical understanding through working models. Students from H.K. College of Pharmacy and other institutions actively participated and presented their models, which were assessed on presentation, creativity, innovation, conceptual application, and overall execution.

Throughout the event, students demonstrated enthusiasm, creativity, teamwork, and scientific curiosity. The model presentations concluded with a felicitation ceremony in which prize-winning students received awards.
