**Details of the Resource Person:**

Dr. Mansee Thakur, Director at MGMSBS, MGM Institute of Health Sciences, Navi Mumbai.

**Participants Details:**

**Total no. of college students:** Nil

**Total no of Faculty:** 02

**Summary of the Lecture/Activity:**

Dr. Madhusudan.N. Saraf and Dr. Archana Upadhyia were cordially greeted by Dr. Mansee Thakur, Director at MGM institute of health sciences. She was keen to collaborate with H.K. College of Pharmacy on various fronts with respect to research, education and conduction of seminars and conferences. She showed us her zebrafish facilities and her anatomy facility.

Dr. Mansee Thakur and her anatomy team have developed a unique method of preserving organs by plasticizing them so that they can be seen in three-dimensional format which would be of great aid in educating undergraduate Pharmacy and Allied Medical Science students.

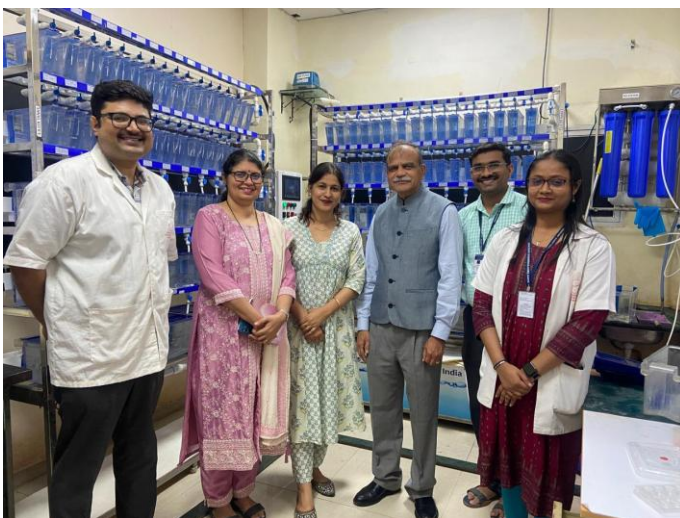

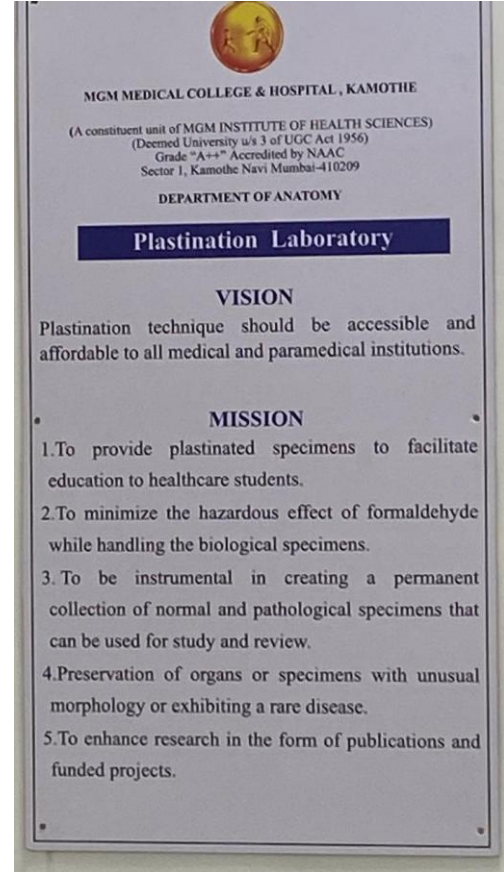

Dr. Mansee Thakur showed them around their zebrafish facility where toxicological studies with the zebrafish are carried out. The facility was well equipped for research. She introduced Dr. Saraf and Dr. Upadhyia to her core team members and suggested that H.K. College of Pharmacy faculty and students, visit and learn from them the techniques involved in zebrafish research.

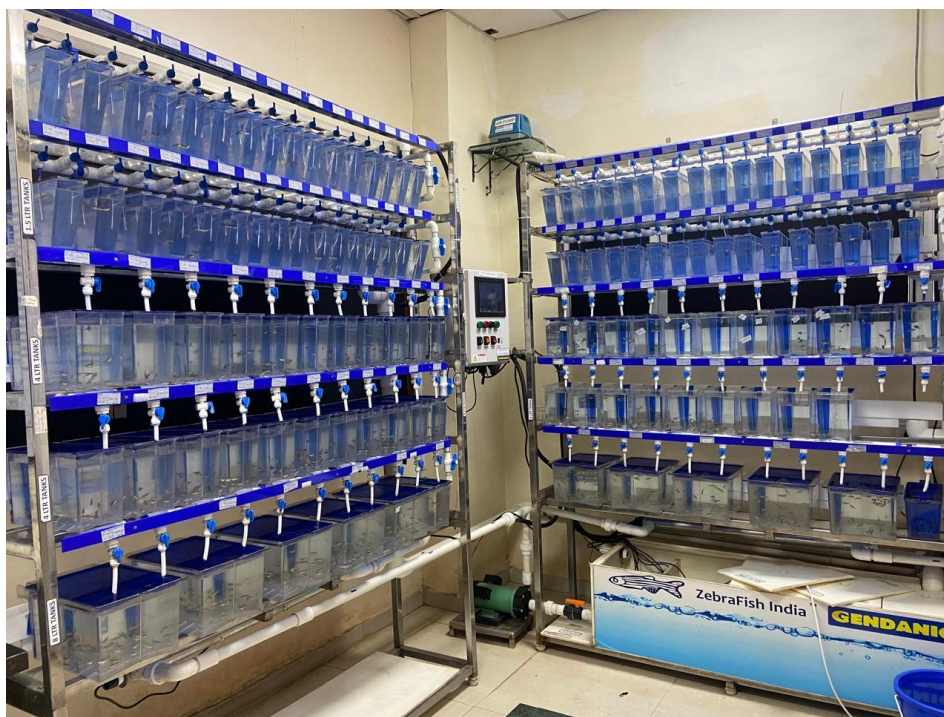

Dr. Mansee Thakur indicated that a training program (online & offline mode) is being planned for faculty. She also briefed about the training program for students in March 2025. She also apprised about the various undergraduate and post graduate programs conducted by her department.

Proposed drafts of MOUs were exchanged mutually for consideration of both the organizations.

Dr. Mansee Thakur agreed to be a resource person along with her colleague for the proposed workshop by H.K. College of Pharmacy.
