

Webinar in co-ordination with BUCHI India, Pvt Ltd

Date: 18th July 2014

The college registered for the webinar entitled “From TLC to Flash to Prep-HPLC on BUCHI’s new All-In-One Solution – PrepChrom C-700” scheduled on 18th July 2014.

The webinar was attended by faculty and M. Pharm Students.

Dr. Birke Gotz, Product Manager at BUCHI Labortechnik AG, Switzerland and Mr. Manish Thakur, Product Specialist, BUCHI India Pvt. Ltd. delivered talk on the advantages of the hyphenated techniques. They highlighted the software features of ‘PrepChrom C-700’.

The presentation was followed by a Question and Answer Session, in which the faculty actively participated to clarify their doubts.
