

Date/Day: 15-10-2024/ Tuesday

Title: World Anatomy Day & Dr. APJ Abdul Kalam Birth Anniversary

Objective:

The event aimed to deepen understanding and appreciation of the structure and function of the human body, which is fundamental to medical and health sciences.

Activities like body painting and Anatomical Pictionary were designed to creatively engage participants in learning about anatomical structures and make the study of anatomy more interactive and enjoyable.

The elocution and slogan writing competitions were conducted to allow participants to express the importance of anatomy in medical science, healthcare, and education, and to advocate for its relevance in understanding the human body and treating diseases.

Details of the Resource Person/Event: Dr. Archana Upadhyaya, Ms. Nikhat Khan

Participants Details:

Total no. of college students: 10

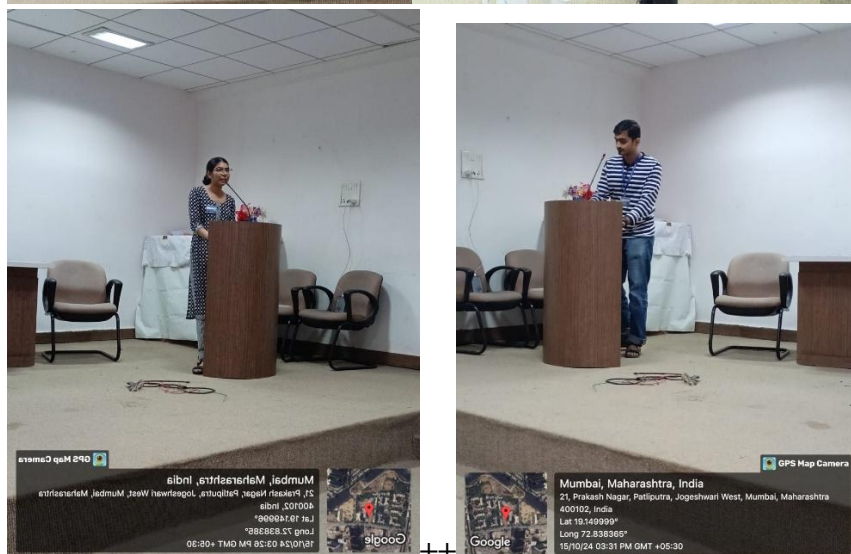

Total no of Faculty: 3

Summary of the Lecture/Activity:

The celebration of World Anatomy Day along with Dr. APJ Abdul Kalam birth anniversary was celebrated with activities such as a body painting competition, elocution competition, slogan writing competition. Additionally anatomical pictionary was also conducted which aimed to promote a deeper understanding of human anatomy in a fun, engaging way. Through creative and educational events, participants explored the structure and function of the human body while expressing their knowledge and advocacy for anatomical science. The event fostered teamwork, creativity, and communication, making anatomy learning interactive and enjoyable. It also highlighted the significance of anatomical knowledge in healthcare and celebrated the contributions of this essential field to medical science.

Dr. APJ Abdul Kalam, the late honorable President of India fondly known as the “Missile Man of India” was remembered and a session was conducted, remembering his life, his legacy and his immense contribution towards our great nation.
