Summary of the Activity:

Details of the Event:

The World Pharmacist Day 2025 celebration at H.K. College of Pharmacy witnessed enthusiastic participation from students across UG (Undergraduate) and PG (Postgraduate) programs. Two major events were organized as part of the celebration: an **E-Poster Competition** and a **Debate Competition**, were both designed to encourage critical thinking, creativity, and communication skills. These events provided a platform for budding pharmacy professionals to showcase their knowledge, perspectives, and innovative ideas in alignment with this year’s theme “Think Health, Think Pharmacist.”

In addition to these competitions, a unique “**Pharma Visionary Tree**” activity was conducted:

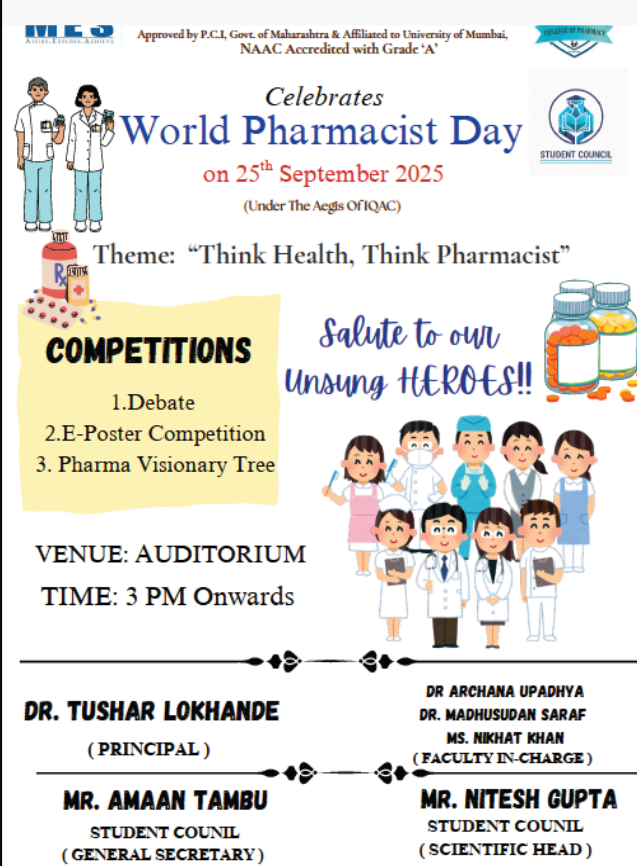

- A large tree chart/poster was displayed in the auditorium.
- Sticky notes were provided to all students present.
- Each student wrote one thought, idea, or message related to pharmacy and attached it to the tree, symbolizing collective vision, inspiration, and innovative thinking in the field of pharmacy.

The entries in the competitions were evaluated by a panel of esteemed faculty members from H.K. College of Pharmacy, who judged participants based on innovation, relevance, presentation, and overall impact. The hybrid format ensured smooth participation and fair evaluation across both events.

Winners of the Competitions:

E-Poster Competition:

- 1st Prize (Final Year B. Pharm): Aditi Pandey, Somesh Mishra, Anusha Poojary, Muskan Kabariya
- 2nd Prize (2nd Year B. Pharm): Shivpoojan Mishra
- 3rd Prize (Final Year B. Pharm): Azra Aslam Shaikh, Meezan Fatima Sayed, Sanna Rangrez
