

Seminar: Career Perspective after B.Pharm

A seminar on Career Perspectives after B. Pharm. was organized at H K College of Pharmacy on 12th July for the students who had filled admission form for first year and aspirant students. The seminar started by warm welcome by Dr. Kamlesh Soni, who also highlighted certain points on Pharma sector such as on global front India is 3rd largest in terms of volumes and we have the maximum number of US FDA approved plant than any other country in world outside USA. After that the following speakers gave their presentation to audience about different opportunities available after B. Pharm.

Dr. Anagha Raut	Pharmaceutical Industry, Production, QA-QC part
Ms. Hema Kanekar	Pharmaceutical Industry: Hospital Pharmacy and IT/ Insurance sector jobs
Mrs. Archana Bele	Entrepreneurship & Govt. Jobs
Dr. Kamlesh Soni	Marketing and Academics

Seminar was followed by panel discussion. Dr. Anubha Khale-Principal & other faculty members answered the queries of aspirant B.Pharm graduates.
