

# H. K. COLLEGE OF PHARMACY

## LIST OF POSTER PRESENTATIONS (JUNE 2013- MARCH 2016)

S. No.	Poster Title	Authors/Co-Authors	Conference
01	<i>In Vitro</i> Porcine buccal mucosa permeability model for Ondansetron orodispersible films.	<b>Hema Kanekar,</b> Anubha Khale	<b>67<sup>th</sup> IPC, Mysore, 19-21<sup>st</sup> Jan 2016.</b>
02	A Novel Approach for Improvement of solubility of Tadalafil using lipid based surfactants and its evaluation.	Ms. Manjiri Bhoir, <b>Ms. Hema Kanekar,</b> Ms. Mitali Sawant, & Anubha Khale	
03	Phase solubility studies of Ondansetron- Hydroxy Propyl Beta-Cyclodextrin complex for Orodispersible films.	Ms. Bidisha Dey, Ms. Sunita Maurya, <b>Hema Kanekar,</b> Anubha Khale	
04	Design, Formulation and Evaluation of Tadalafil Solid Dispersates Comparative to Cialis.	Ms. Vaishali Meroliya, Ms. Mitali Samant, <b>Ms. Hema Kanekar,</b> Anubha Khale.	
05	Design, Formulation and Evaluation of Levocetirizine hydrochloride Orodispersible films.	Ms. Pranjali Shitole, Ms. Tarjani Naik, <b>Ms. Hema Kanekar</b> Anubha Khale	
06	Predicting biological Activity: Static versus Dynamic models	<b>Dr. Arati Prabhu</b>	
07	Antimicrobial activity of Aloe vera formulation	<b>Archana A. Bele,</b> Saif, Anubha Khale	
08	Enhancement of solubility and dissolution rate of Furosemide using a solid dispersion with stability evaluation	<b>Ms. Roanne Dsouza</b> Dr. Ritesh Fule, Dr. Anubha Khale	
09	Formulation and Characterization of Sustained Release Microspheres of Lornoxicam Using Gelatin with HPMCAS Coating	Ms. Suvarna Gunjal, Dr. Ritesh Fule, Dr. Anubha Khale	

# H. K. COLLEGE OF PHARMACY

## LIST OF POSTER PRESENTATIONS (JUNE 2013- MARCH 2016)

10	Role of Co-crystals in Bioavailability enhancement and Its Regulatory Requirements.	Manjiri Bhoir, <b>Hema Kanekar</b> , Anubha Khale	One Day National Seminar at HK College of Pharmacy on <b>1<sup>st</sup> October 2015.</b>
11	Analytical Method Development for candesartan Cilexetil.	Bidisha Dey, <b>Hema Kanekar</b> , Anubha Khale	
12	“Identification and Characterization of Ginger Components - Precursor for Herbal Formulation Development”	Tripti Mishra, <b>Hema Kanekar</b> , Anubha Khale	
13	Potential Role of <i>Piper betle</i> in Prevention Of Lung Cancer /Oral Cancer	Ashish Dubey, Sanjay Jain, <b>Dr. Anagha Raut</b>	One Day National Seminar at HK College of Pharmacy on <b>1<sup>st</sup> October 2015.</b>
14	Protective role of <i>Murraya koenigii</i> in preventing diabetes induced pancreatic cancer	Anagha Raut	National Conference on Translational Research in Oncology at AIKTC, Panvel, New Mumbai on <b>11th September 2015</b>
15	Targeting MAPK pathway for the treatment of cancer	Mrs Ojaswi Ghadge	Translational research in oncology from benchside to bedside- <b>10-11 sept 2015</b> , AIKTC, Panvel
16	Search for novel IMPDH-II inhibitors: Virtual screening and HTS	Dr. Arati Prabhu	Translational research in oncology from benchside to bedside- <b>10-11 sept 2015</b> , AIKTC, Panvel
17	Melanoma and its treatment approaches,	Mrs Ojaswi Ghadge	“Recent Breakthrough Innovations in Pharmaceutical Research with Future Perspectives”- H. K. College of Pharmacy, <b>1<sup>st</sup> Oct 2015.</b>
18	Colon Targeted Liquid Filled Hard Gelatin Capsule of Ibuprofen using Band Sealing Technology”	Jaya Agnihotri, Dorene Almeida , Anubha Khale Priyanka Goswami	APTICON 20th Annual National Convention- <b>2015</b>
19	Nanotech engineered carrier system: Pillar of personalized medicine	Jaya Agnihotri, Pranjali Shitole	One Day National Seminar at HK College of Pharmacy on <b>1<sup>st</sup> October 2015.</b>
20	Selection and Evaluation of suitable polymers for formulation of levocetirizine dihydrochloride orodispersible films.	Hema Kanekar, Dr. Anubha Khale, <b>Sunita Maurya</b>	Attended and Presented Poster presentation at 66 <sup>th</sup> IPC, Hyderabad on <b>23<sup>rd</sup> -25<sup>th</sup> Jan 2015.</b>
21	Development and Optimization of levocetirizine Orodispersible films (ODF)	Hema Kanekar, Dr. Anubha Khale, <b>Saif Shaikh</b>	

## H. K. COLLEGE OF PHARMACY

### LIST OF POSTER PRESENTATIONS (JUNE 2013- MARCH 2016)

	using Design Expert software.		
22	Selection of optimum particle size of class IV drug in order to enhance the solubility.	Hema Kanekar, Dr. Anubha Khale, <b>Mitali Samant</b>	
23	Mouth dissolving oral films: A promising approach for drugs having low bio availability.	Hema Kanekar, <b>Mitali Samant</b>	Presented poster at one day conference on “Innovations in Drug delivery: Trends, Opportunities and Regulatory Aspects” on <b>24<sup>th</sup> Jan 2015 at VES college.</b>
24	Aligning the education system with the needs of developing entrepreneurship and skills for the MSME segment	<b>Hema Kanekar, Dr. Anubha Khale,</b> Chirag Singh, Prathmesh Khot	Presented an Oral Presentation at One Day Seminar on “MSME: Gearing Upto Global Competitiveness” at <b>IES, Bandra on 10<sup>th</sup> Sept 2014.</b>
25	Herbal Medicines for treating PCOD	Sanket, <b>Praful Kadam,</b> Hema Kanekar, Dr. Anubha Khale	Presented Poster at ICMR sponsored Two days symposium on “Role of Herbal formulations in improvement of Women’s health” <b>6<sup>th</sup> &amp; 7<sup>th</sup> September 2014.</b>
26	Nutritional value of Vegetables: Unknown facts	Tanvi Joshi, Krina Patel, Gayatri Nair and <b>Parimal Kotkar</b>	Attended and Presented Poster at One day National Seminar at HK college on “Frontiers in Pharmaceutical Sciences and Drug Discovery innovations” <b>27<sup>th</sup> Sept 2014.</b>
27	HPLC method development and validation,	Mitali Samant, Ojaswi Ghadge, Dr. Anubha Khale	Frontiers in Pharmaceutical Sciences and Drug Discovery Innovations, <b>27<sup>th</sup> September 2014,</b> H. K. College of Pharmacy
28	Universalizing Access of Medicines to common man	Hema Kanekar, Dr. Anubha Khale, <b>Zaid. T.</b>	Guided and contributed in preparation of Oral Presentation for Manthan (Delhi). <b>(Oct 2014)</b>
29	Solubility Measurement by Shake Flask Method for Tadalafil and its HPLC Analysis-	Ojaswi Ghadge, Mitali Samant, Dr. Anubha Khale	APTI, Pune, <b>28<sup>th</sup> – 30<sup>th</sup> Nov 2014.</b>
30	Nano fibers as novel approaches for wound healing.	Samreen Khan, <b>Hema Kanekar</b>	Attended and Presented Poster at One day National Seminar at HK college on “Techniques of Taste Masking and Evaluation and Intellectual Property Rights (IPR) and Patent Drafting, <b>28<sup>th</sup> Sept 2013</b>

# H. K. COLLEGE OF PHARMACY

## LIST OF POSTER PRESENTATIONS (JUNE 2013- MARCH 2016)

31	Vitamin D more than just a vitamin: A secosteroid hormone	Priyanka Goswami, Dr. Anubha Khale	Indian Pharmaceutical Congress (IPC) Dec 2013, Noida
32	Herbal remedy for atrophic vaginitis	Priyanka Goswami, Mitchell lobo, Aruna Dabhi, Shradha Parkar	Techniques of taste masking and Evaluation” and “Intellectual property rights (IPR) and patent drafting” HKCP national seminar Sept 2013
33	Herbal remedy for Gestational diabetes mellitus	Priyanka Goswami, Sunita Maurya, Mitali Samant	OCP Symposium “Role of Herbal formulations in improvement of Women’s Health” Sept 2013
34	Role of herbs in women’s health	Priyanka Goswami	OCP Symposium “Role of Herbal formulations in improvement of Women’s Health” Sept 2013
35	BIOPHARMACEUTICS DRUG DISPOSITION CLASSIFICATION SYSTEM (BDDCS) - A RATIONAL MODIFICATION OVER FDA’S BIOPHARMACEUTICS CLASSIFICATION SYSTEM	Hema Kanekar, Amol Borade, <b>Tushar Phale, Sushruta Mulay.</b>	Presented poster at Oriental college of Pharmacy at two days national symposium on current scenario of intra-disciplinary pharmaceutical research on 12 <sup>th</sup> January 2013.
36	Advance applications of FTIR analysis as Diagnostic agents.	<b>Samreen Khan,</b> Hema Kanekar, Dr. Anubha Khale	One day National Seminar “Advances in instrumentation & analytical techniques “organized by H. K. College of Pharmacy on 9 <sup>th</sup> February-2013, Mumbai.
37	Advance analytical instrumentation for anti-doping studies	<b>Tarjani Naik,</b> Hema Kanekar, Dr. Anubha Khale	One day National Seminar “Advances in instrumentation & analytical techniques “organized by H. K. College of Pharmacy on 9 <sup>th</sup> February-2013, Mumbai.
