

**H.K College Of Pharmacy**  
**Research Grants in the Academic Year 2016-17**  
**By University of Mumbai**

Research Title	Investigator	Amount in Rupees
Design, Synthesis and Anticancer activity of new series of Benzothiazole Derivatives	Ms. Ojaswi Ghadge	Rs. 30000/-
To Isolate Ursolic acid and to formulate its Anti-inflammatory Phytosome gel	Ms. Priyanka Goswami	Rs. 30000/-
Extraction, Evaluation and Formulation of Piper betle volatile oil for Anticancer Activity (Lung and Oral cancer)	Dr. Anagha Raut	Rs. 30000/-
Development of Drug Nanocrystals using ball milling technique for solubility enhancement with its advanced characterization : A QBD Approach	Dr. Ritesh Fule	Rs. 25000/-
Transmucosal Delivery of Candesartan through Formulation Development of Mucoadhesive Buccal Patch	Ms. Hema Kanekar	Rs. 27000/-
