

Date/Day: 29th November 2025/Saturday

Title of Event: “Regulatory Affairs: Career Pathway for Pharmacy Graduates.”

Organized by: Pharmaceutics Department. The event was coordinated by Dr. Jaya Agnihotri

Objective:

- To create awareness among students about diverse career opportunities in the pharmaceutical industry.
- To introduce students to the roles and responsibilities in the field of Regulatory Affairs.
- To help students understand the skills required for industry positions, including communication, technical, and behavioural competencies.
- To guide students in preparing effectively for job interviews and workplace expectations.
- To provide expert insights from industry professionals to bridge the gap between academic learning and real-world applications.

Program Outcome: PO1, PO3, PO4, PO10, PO11

Details of the Resource Person/Event: Mr Yogesh Patil, **Pharma Professional - Quality System & Operations Support, India.**

Participants Details:

Total no. of college students (M. Pharm): 15

Summary of the Lecture/Activity:

A **Career Guidance Program** was organized for **M. Pharm students** on the theme “**Regulatory Affairs: Career Pathway for Pharmacy Graduates.**” The session was conducted by **Mr. Yogesh Patil**, Senior Associate – Quality System & Operations Support, India.

During the program, Mr. Patil provided valuable insights into the diverse opportunities available in the field of **Regulatory Affairs** and explained the essential competencies required to build a successful career in this domain. He emphasized the importance of developing strong **communication skills**,

sound **technical knowledge**, and professional **behavioural skills**, all of which play a crucial role in excelling during interviews and in workplace settings.

His interactive discussion helped students understand industry expectations, interview readiness, and the skills needed to navigate regulatory roles effectively. The session was highly informative and motivated students to prepare themselves for future career opportunities in the pharmaceutical sector.
