### Participants Details:

**Total no. of college students: 102**

**Total no of Faculty: 3**

### Summary of Activity:

The session on 'Global Opportunities for Higher Studies in the USA' was conducted successfully at H. K. College of Pharmacy. The program aimed at educating students about international academic pathways, especially in the USA. The expert speakers provided valuable insights into admission requirements, cooperative education programs, research opportunities, and professional growth in pharmacy and health sciences. Students actively participated in the interactive session and clarified their queries related to global education and career planning. The program proved to be highly informative and motivating, aligning with the institution's vision of providing quality education and global exposure.
