H.K. College of Pharmacy

HK Campus,
Adjacent to MHADA Colony,
Pratiksha Nagar, Oshiwara Jogeshwari (W),
Mumbai-400 102
Tel: 022-26788462/022-26774639
Fax: 02226779905 www.hkcp.edu.in

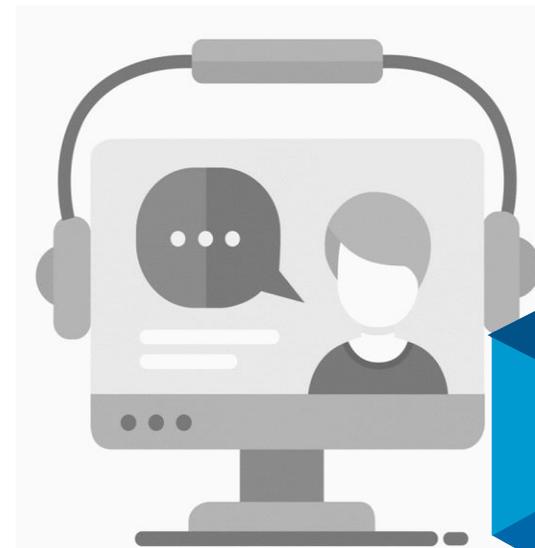

H.K. College of Pharmacy (HKCP) was established in 2006 by Late Prof. Javed Khan, Ex-Education Minister of the State of Maharashtra. The college is approved by UGC, AICTE, DTE, PCI and is affiliated to the University of Mumbai.

The college offers two programs B. Pharm. & M. Pharm. (Pharmaceutics). HKCP is making every effort to provide a sound foundation in pharmaceuticals for its students so that they can contribute for better and healthier tomorrow.

Our qualified, committed, motivated faculty and excellent infrastructural facilities provide an academic and professional base to the students.

Vision: To be recognised as the institution providing quality education in pharmacy to serve the healthcare sector

About Speaker

*Mr. Aniket Jadhav, Application Chemist.
Anchrom Private Limited.*

Mr. Aniket Jadhav is currently working as an Application Chemist at India specific HPTLC Applications Research Lab at Anchrom Enterprises India Pvt. Ltd.

He completed his Masters in Bio-Analytical Sciences from G.N Khalsa College of Arts, Science and Commerce.

He has vast experience in field of HPTLC. He has developed methods for pharmaceuticals, herbals and food. He is involved in HPTLC training inhouse and on site.

About Webinar

"HPTLC: Technique and Pharmaceutical Applications" virtual seminar with Live Demo

High-performance thin layer chromatography (HPTLC) is one of the sophisticated instrumental techniques for qualitative and quantitative analysis used extensively in the Pharmaceutical & allied industry. The webinar is intended to enhance the knowledge about the HPTLC instrument and techniques. A live demo intends to guide and explain unknown details of the technique. The purpose is to provide information to direct utilization of your analytical requirements.
