ABOUT H K COLLEGE OF PHARMACY

H K College of Pharmacy was established in 2006 by Prof. Javed Khan, Ex-Education Minister of the State of Maharashtra and is nurtured by dedicate efforts from the Management, Principal and staff of Maharashtra Educational Society's.

The college is approved by UGC, AICTE, DTE and PCI with affiliation from the University of Mumbai and also ISO 9001:2008 certified.

The College offer Undergraduate & Postgraduate Pharmacy programmes. H K College of Pharmacy is dedicated to provide a positive environment in which students' knowledge and aptitude in the field of pharmacy can grow.

ABOUT THE SPEAKER

Dr. Pragya Tiwari is working as **Research Professor** in the **Department of Biotechnology, Yeungnam University, Republic of Korea.**

She possess research/teaching experience of more than 5 years in national/international institutions in the field of plant sciences and computational biology in drug designing. Her research work has gained broad interest through highly-cited publications, book-chapters and invited lectures.

She has received various research fellowships from CSIR and ICAR and gained scientific recognition for her work in inter-disciplinary areas of plant sciences.
