Dear Faculty and Students,

Tomorrow the 14<sup>th</sup> December 2022, we celebrate the National Energy Conservation Day. The students have made a poster (please find attached).

We should make a conscious effort to implement the strategies outlined in the poster in our daily lives.

To raise awareness about this day among the general public for energy conservation, we request the students, faculty, and non-teaching staff to make this poster their Whatsapp status.

We are also organizing a crossword competition on energy consumption and conservation on the day.

Looking forward to your active participation.

Regards
