Title: **Workshop on Design Thinking, Critical Thinking and Innovation Design**

Objectives:

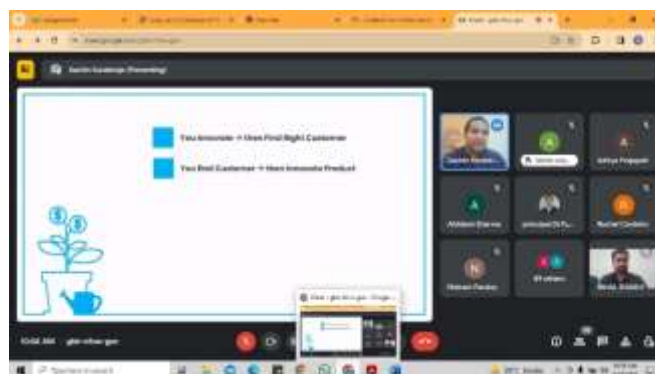

- To focus on building understanding of Design Thinking, Critical Thinking and provide opportunity to learn about Innovation Design through activity.

Place of Seminar: Online on Google meet Platform at 10.30 am

Details of The Resource Person/Event: Mr. Sachin Rajaram Kumbhoje, Director, OpEx Accelerator Pvt Ltd, Co-founder, CIREE EduTech LLP

Key Outcome of the Activity/Lecture:

The Speaker interacted with the students to discuss on the what is a start-up and examples of major start-ups that have been successful. The students enthusiastically participated in the online interactions. Mr. Sachin explained various concepts on Innovation and its types, design thinking and the process of innovation and redefined problems. The five stages of design thinking -Empathize, Define, Ideate, Prototype, Test, were briefly explained. There was a precise and straightforward example with explanation which helped in better understanding. The concepts were better and relatable as it was real life scenarios. The workshop helped us understand how design thinking plays an important role in our society.

About 100 participants including students and faculties attended the workshop. The queries of the students were very well handled by the speaker. The overall feedback of the workshop was very positive.
