Venue : On You Tube broadcast.

Program Highlights

Dr. Sheetal Tiwari briefly discuss on topics such as:

PCOS: It is because of hormonal unbalance. Low intake of mineral and diet. It leads to high testosterone levels which lead to acne and hair loss.

Stress level: It play a very vital role in skin and hair condition. Increase stress level leads to increase in corticosteroid level which lead increase in testosterone level and finally increase in sebum secretion and outburst of acne- pimple.

During teenage proper counselling and therapy is mandatory should be provide by parents to their child.

Ideal skin and hair care:

- Nourishment come from internal body nourish.
- Avoid toxic product-are easily carried out in cosmetical market due to over advertisement.
- Gentle cleanser should be use according to one`s skin condition.
- Toner: should usually be avoided. As it contains alcohol which damage the healthy skin microbes. Natural cold rose water should be a good toner
- Good and clean moisturiser should be used. If having acne avoid moisturiser. Gel based moisturiser be good for skin. Sufficient water intake mandatory.
- Sunscreen: It is must.
- Avoid using coconut oil on skin, but for hair is good.
- For hair most good result shown shampoo is **Petalca**.
- Conditioner should not be used after shampoo usually to avoid hair loss.
- Not done any harsh treatment to hair shown less hair loss problem in late 40`s.

Holistic approach:

- Unhealthy foods effect the lot, avoid junk food and make a habit of daily exercises.
