The awareness program was organized by the **Gender Sensitization Cell** of **MES H.K. College of Pharmacy**.

Participants Details:

Total No. of College Students: 100

Total No. of Faculty: 15

Summary of the Lecture/Activity:

A **Drug De-addiction Awareness Expert Lecture** was organized by the **Gender Sensitization Cell** of **MES H.K. College of Pharmacy** in association with the **BMC K/W Ward, Public Health Department, Brihanmumbai Municipal Corporation (BMC)** on **23rd June 2026**. The expert lecture was delivered by **Dr. Prakarsh Jain** from the **Public Health Department, Brihanmumbai Municipal Corporation (BMC)**.

The resource persons educated students about the harmful effects of drug addiction, its impact on physical and mental health, family associations, education, and society. They also discussed the common causes of substance abuse, preventive measures, early identification of addiction, available treatment options, and the importance of rehabilitation and counselling.

The speakers encouraged students to adopt a healthy and drug-free lifestyle and emphasized the vital role of youth in creating awareness against substance abuse. Students actively participated in the interactive session by asking questions and sharing their views. The program concluded with a pledge

to remain drug-free and to spread awareness about drug de-addiction within the community.
