Report of Pharma League

HKCP'S first ever pharmaceutical quiz, Pharma league was organized by the scientific committee of HKCP under the guidance of Dr. Geeta Bhagwat, Ms. Sunanda Patil and Ms. Rachel Britto. Its final round was conducted on 27th of September 2022. Pharma League was introduced with a motive to increase student's interaction and confidence. It also helped them develop coordination and steadfastness in terms of scientific thinking. The league involved interaction of students of different classes and age groups and helped students exchange thoughts over different and diverse range of topics. The activities conducted by Pharma League not only helped students in generating good communication skills but also helped in developing their social behavioral attributes. There was extensive participation of undergraduate and post graduate students of Pharmacy.

The quiz was conducted in 3 rounds:

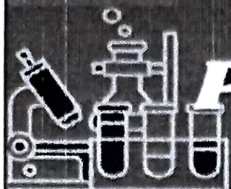

1. Eligibility round
2. Semi Final Round
3. Final round

There was huge participation of students amongst which 75 students got selected in eligibility round. For the semi-final, 27 students were selected out of 75 students and teams were formed accordingly for participation in final round. In the final round out of 27 students, 12 students (3 teams) were selected out of which 4 students (1 team) was awarded with the trophy and Cash prize of Rs.1200. Also, the participants who qualified the eligibility round and made it to the semi-final round were awarded with a certificate.
