Title- Entrepreneurship and Innovation As Career Opportunity

Objectives-

- To inculcate the values of entrepreneurship in students
- To motivate students towards innovation and its shortcomings
- To help student understand the pros and cons of entrepreneurship management
- To provide a practical guiding path for the career as entrepreneur

Speaker Details-

Mr. Pradeep Gadre is a dynamic pharmaceutical professional with working experience of over 40 years in various capacities in Healthcare Industry. He developed & commercialized several first products in the World and on way to be the leader in Efferceuticals in India by 2019 and world recognition by 2022.

His Working Experience:

- 1) Roche Products Ltd. Management Trainee
- 2) Associated Capsules Group: Marketing Executive
- 3) Johnson & Johnson: Product Manager
- 4) Lupin Ltd.: Marketing Manager
- 5) Allergan Inc. USA: Product Manager Afro Asia & Country Manager India
- 6) Ranbaxy Laboratories Ltd.: Business Manager Middle East & South East Asia

Summary-

The program was inaugurated by Mrs. Rachel Britto where she welcomed Mr. Pradeep Gadre and briefed everyone about his professional journey and milestones. Dr. M. N. Saraf also welcomed Mr. Gadre by mentioning about his expertise in front of audience. Mr. Gadre started off with various definitions like entrepreneurship, innovation etc. He described entrepreneurs as risk takers and taught about the types of entrepreneurs. Various domains like viable business, entrepreneur skills and how to improve upon them was discussed. He wisely made the audience aware of podcasts, online management courses and many more which students could opt for if they wish to see a future in management sciences. He concluded the session by correctly mentioning the lines 'easiest task is to work for others and mast difficult task is to work for yourself'. The program was then open for questions and answers session. The session was concluded by Mrs. Sunanda Patil where she addressed the speaker with vote of thanks.
