Title- Expert talk on Process of Innovation Development

Objectives-

- To Protect invention from copying, manufacturing, selling or importing by others without the permission of inventor.
- To motivate students towards patents
- To help student understand the importance of Patenting process.
- To provide a practical guiding path for the start-ups.

Speaker Details-

Parvez Kudrolli

Principal Associate, Khurana & Khurana

Parvez is a Software Inventor, Patentee and Entrepreneur and has obtained patents for his inventions in India & USA. He has experience of developing & inventing software, drafting & prosecuting patents, patent searching, conducting patent workshops, commercializing patent rights, and managing a Software IPR related Startup company. He is also a Registered Patent Agent admitted to practice before the Indian Patent Office. Parvez's focus, at Khurana & Khurana, is on consultancy, business development and client relationships relating to IPR Strategy, Patents, Trademarks, Copyrights & Designs. Parvez has conducted Intellectual Property Awareness Sessions, IPR Training programs and Patent Drafting Workshops for organizations/ institutes such as MSME Development Institute - Mumbai; Rajiv Gandhi National Institute of Intellectual Property Management, Nagpur; Sardar Patel Institute of Technology - Mumbai; G H Rasoni College of Engineering - Nagpur & Pune; Meghe Group of Institutions - Nagpur; Institute of Chemical Technology - Mumbai (formerly UDCT); Manipal Institute of Technology - Manipal; Institute of Company Secretaries of India (ICSI) and World Trade Centre –Mumbai among others.

Summary-

The program was started by Dr Jaya Agnihotri by welcome address and briefed everyone about his professional journey and milestones. Mr. Parvez Kudrolli gave introduction and different types of patents by giving very simple and practical examples. He makes students familiar with the process of patent, patent fees and timing of patent. The program was then open for questions and answers session. The session was concluded Dr Indira Parab where she addressed the speaker with vote of thanks.
