

Date/Day: 28/03/2026, Saturday

Earth Hour Day

Objective:

- To create awareness about energy conservation and environmental protection.
- To encourage students to participate in global initiatives like Earth Hour.
- To promote sustainable practices such as saving electricity and reducing carbon footprint.

Program Outcome: PO9, PO10 and PO11

Details of the Resource Person/Event: The event was organized by Green club of MES H.K. College of Pharmacy

Participants Details:

Total no. of college students: 250

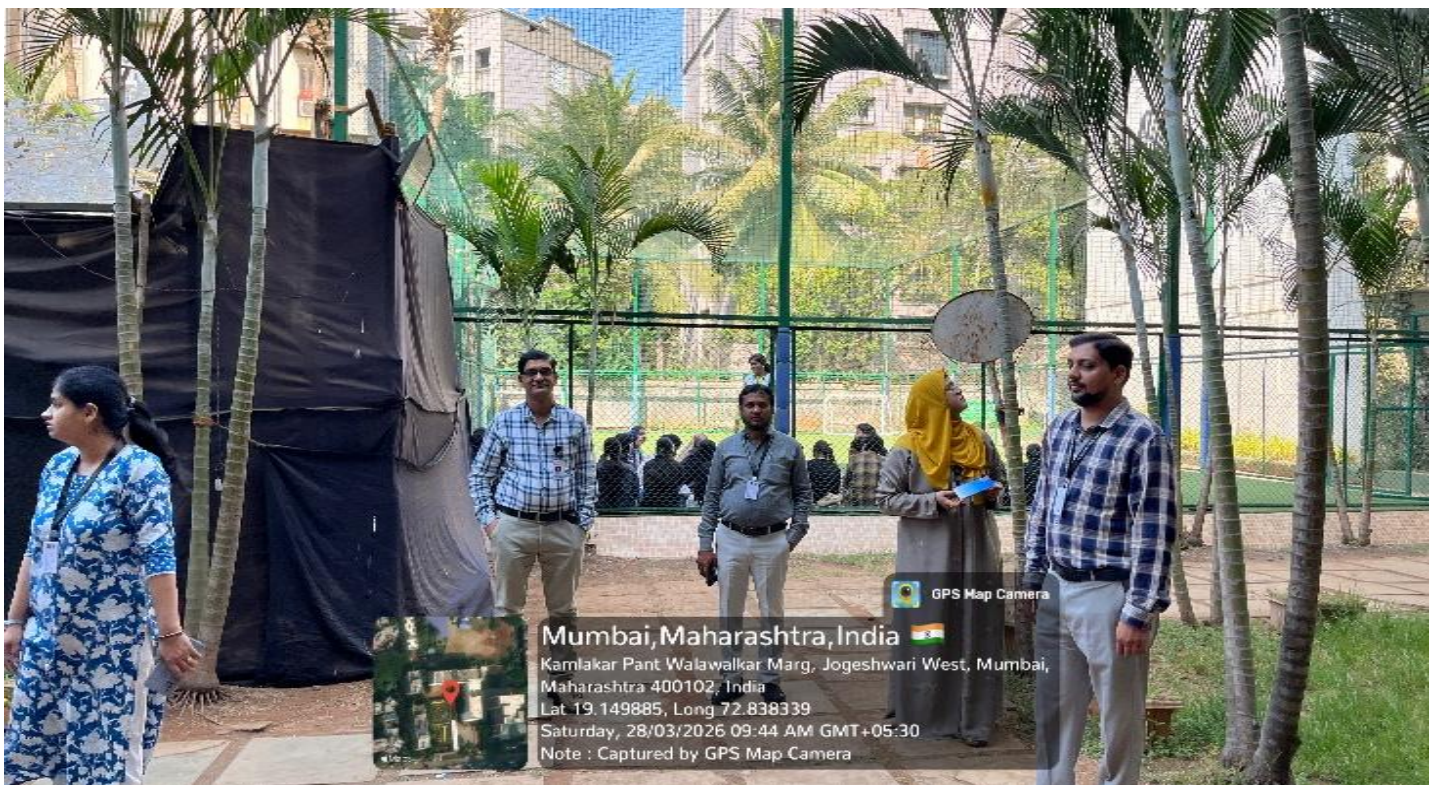

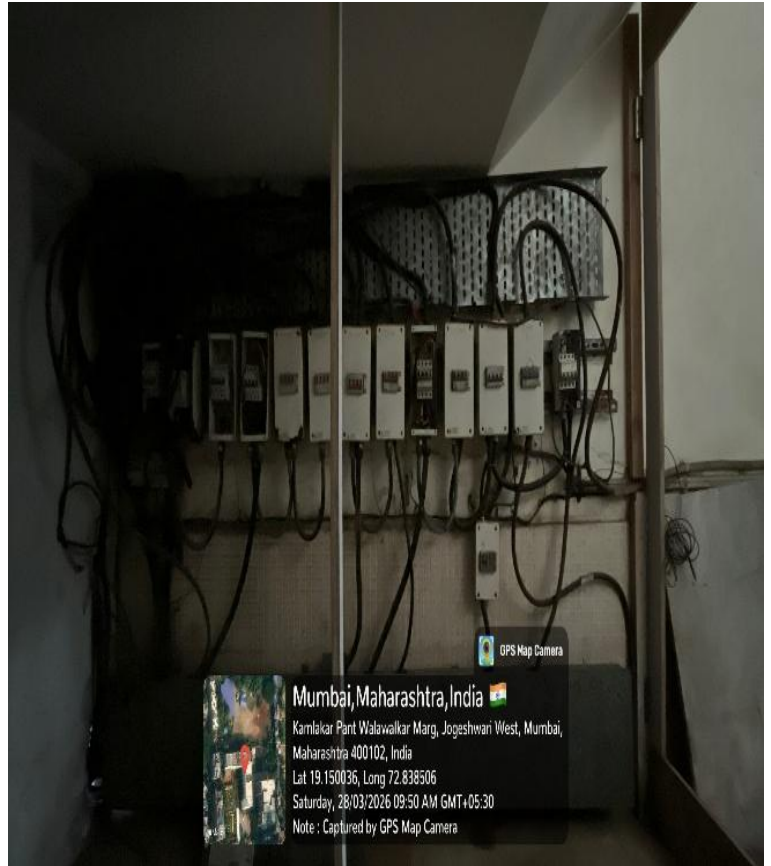

Total no of Faculty: 20

Summary of the Lecture/Activity:

The event was organized by the Green Club at H.K. College of Pharmacy. Students and faculty gathered on campus to observe Earth Hour. Lights and electrical appliances were switched off for one hour (9:30–10:30 am) as a symbolic gesture. Awareness messages about climate change and energy conservation were shared. Participants discussed simple eco-friendly habits to follow in daily life.

Faculty members took the students to the medicinal garden, where they explained various medicinal plants and their uses in healthcare. Students were also guided around the college campus to observe nature and understand the importance of trees and greenery. The activity emphasized energy conservation, eco-friendly habits, and the significance of protecting the environment. It was an interactive and informative session that encouraged students to be responsible towards nature.

Brochure/Photo Gallery:

Key Outcome of the Lecture/Activity:

- Students understood the importance of conserving electricity and active participation showed towards sustainability.
