1	Need more stools in labs and reagents are highly contaminated some times so we dont get a proper result some times	Boys common room has been renovated. New glasswares and chemicals have been procured. Microscopes and burners have been repaired. New sports equipments purchased. Microscope and burners are repaired. New equipments have been procured.
2	There is 'stool scarcity" in every lab. There are less to no stool for sitting. Some burners in lab are not working. Few keyboard keys in lab are not working.	New stools have been procured.
3	There is no proper management in the lab. Chemicals are adulterated, no proper equipments and machines. Test tubes aren't cleaned prior and we don't even get chemicals ready before our practical starts, there are no pipettes beside each bottle no proper GLP this results in disruption of the inference and hinders our learning process. Also some teachers must take more initiative and be more cooperative instead of sitting there doing nothing.	New glasswares and instruments were procured. The instructions regarding the cleaning were given to lab attendants. SOP has been prepared regarding the chemical usage and instructed to
4	There are some suggestions from my side. Please fix the water tap of basins. The toilets are unclean most of the time. PLEASE INSTALL A WATER TANK/DISPENSER AT EVERY FLOOR OF THE BUILDING. There is literally one water tank in canteen for	Supervisors were instructed to take necessary actions against running tap and hygiene in washrooms. The gymkhana timings can not be changed as during the regular schedule students are not allowed to be present in

	entire college. At least one water dispenser should be installed on every floor. Increase the gymkhana timings. timings are 2:00 -4:30 how are we supposed to play when we have lecture/practical at that time. Time should be 11-5. An air conditioner in Library will attract students to sit and study in library instead in other parts of college. keep chairs instead of stools in computer lab for keep the posture upright of students. The gymkhana is POORLY FURNISHED. Table tennis bats are without Sponge. No net for table tennis. No boric powder for carrom. Lights are extremely dim in gymkhana. Less number of chairs/stools in gymkhana. Rather keeping gymkhana objects (table tennis bat, volleyball, etc) in store room they should be kept in gymkhana itself. Increase gymkhana timings.	the gymkhana. Though by special permission the gymkhana facilities can be utilised. Every year new sports materials are procured.
