Green Policy of H. K. College of Pharmacy

Introduction:

A green campus is a venture where sustainable growth is promoted through learning and environmentally friendly Practices.

The Maharashtra Educational Society's H. K. college of Pharmacy exhibits a greater sense of duty and concern while implementing environmentally friendly initiatives on campus. The goal is to raise awareness of environmentally friendly methods amongst students and to educate participants about the establishment of green campuses.

Objectives:

- To establish an environmentally friendly, sustainable campus and to extend the concept of environmentally friendly culture to the surrounding community and wherever possible.
- The college is striving to grow the institution in self-sustaining areas such as energy, water, and sanitation.
- To educate stakeholders on the value of the environment and its concerns.
- To conserve and protect nature ecosystems and assets within the institution.

1) Green Campus Initiatives:

- a) Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives. The idea is to motivate them to contribute in a proactive manner.
- b) Activities under 'Swachh Bharat Abhiyan' will be a key component of all the community work being done by the students of the college.
- c) Staff Members will be encouraged to participate in the cleanliness drive in the college campus.
- d) Events such as poster and slogan competitions, essay writing, spoken word poetry, speeches, skits on 'Swachh Bharat' will be organised.
- e) Remove all kinds of waste material like broken furniture, unusable equipment etc.
- f) Administer of the pledge by students and staff members to maintain cleanliness of the college campus and its surrounding areas on an annual basis.
- g) Conduct workshops on the 3Rs: Reduce, reusing and recycling of waste.
- h) Commit to manage waste and maintain clean campus.
