The purpose of this MOU is :

- To establish a framework for mutual co-operation between both parties in organizing and implementing public health awareness programs, medication education, adherence support, and community outreach initiatives.

Areas of Collaboration:

1. Awareness Program for Medication Education :

Both parties agree to collaboratively organize educational awareness programs on the rational use of medicines, safe medication practices, and prevention of medication errors for the benefit of students, healthcare workers, and the local community.

2. Medication Adherence Support and Assistance:

Joint initiatives will be undertaken to assist patients in understanding the importance of timely and regular medication use, promoting medication adherence, and providing counseling services wherever required.

3. Community Outreach Programs:

Both parties will jointly conduct health camps, free consultation drives, awareness rallies, and educational sessions in local communities, schools, and senior citizen groups to promote health literacy and wellness.

4. Internship and Volunteer Support :

The NGO will offer opportunities for pharmacy students to engage in internships, field visits, and volunteering for healthcare initiatives under the guidance of professionals.

5. Joint Reporting and Documentation:

Both organizations will jointly document, report, and evaluate the outcomes of each activity undertaken through this collaboration, maintaining transparency and mutual accountability.

Validity & Amendments:

This MOU shall be valid from the date of signing and will remain effective until mutually revised or terminated by either party upon written notice.
