### Report on International Day of Yoga Celebration

Date: 21<sup>st</sup> June 2023

Venue: Auditorium 4<sup>th</sup> floor

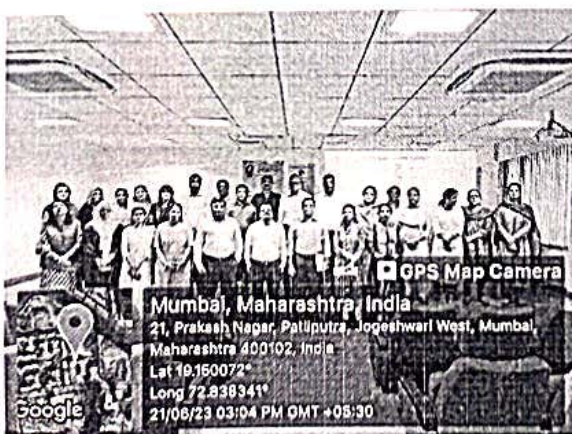

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system.

On 21<sup>st</sup> June 2023, H. K. college of Pharmacy in collaboration with H. K. Institute of Management and Research celebrated International Yoga Day. It was attended by many prominent Professors, Directors and Students from Pharmacy and Management with great enthusiasm.

The event began with a brief introduction on Yoga Day by Mr. Nilesh Manore and by welcoming the guest of honor Mr. Manoj Menon- Senior Marketing Manager-New World Paints and Mrs. Geetika Tewari-Head of Corporate Marketing-Asian Heart Institute a Professional Kathak dancer international and National Level; both were associated with Sahaja Yoga Meditation Center.

Mrs. Geetika Tewari delivered a speech on Sahaja Yoga how it is a unique method of meditation based on an experience called Self Realization (Kundalini awakening) that can occur within each human being. In addition to our physical body there is a subtle body composed of Nadis (channels) and chakras (energy centers). She further added through this process an inner transformation takes place by which one becomes moral, united, integrated and balanced. One can actually feel the all-pervading divine power as a cool breeze, as described in all religions and spiritual traditions of the world. This is the actualization of such transformation.

Mr. Manoj Menon demonstrated some asanas which were performed by all Faculties and Students importance of these were explained simultaneously. The celebration concluded with the vote of Thanks by Mrs. Neha Sharma.
