### **PERSPECTIVE PLAN 2028.**

H K College of Pharmacy (HKCP) is one of the institutions under the umbrella of the Maharashtra Educational Society's (MES). The trust was established by the inspirational founder Late Prof. Javed Khan, a former education minister for the state of Maharashtra. H K College of Pharmacy is affiliated to the University of Mumbai and approved by AICTE, DTE, and PCI. The trust was established with the purpose of providing Professional education to aspiring candidates, with a focus on members of the Hindi Linguistic minority. By upholding integrity and openness over the years, the trust has expanded its goal of delivering quality education in a variety of higher education and technical education programs in order to make it available to all eligible candidates from diverse social strata. Trust promotes moral, practical, cultural, and intellectual well-being.

- ✚ Supporting for the Development of Entrepreneurship.
- ✚ DST, DBT, and AICTE research proposals.
- ✚ To organize the Workshops and conferences fostering research culture.
- ✚ NBA, NAAC etc. accreditation and reaccreditation

#### **4. Perspective Plan and its deployment Goal 1: Academic Plan**

A well-planned lesson plan, a successful teaching and learning pedagogy, and a regular feedback system all contribute to the effective teaching of the syllabus's contents. We anticipate continuing the existing strategy, which involves giving lectures from eminent academic and business speakers that go beyond the material provided in the syllabus. The sessions will support the students' decision regarding their professional path after graduation. The soft skill development lectures included in the placement activities will help students develop their personality. A better student placement will be the consequence of all of these measures working together.

#### **Goal 2: Strengthening the Alumni association.**

A strong alumni network exists for HKCP. The institute has registered its alumni organization under the Society's Act of 1860 and the Bombay Public Trust Act of 1950. Alumni maintain communication with faculty members and current students. One of the goals of the HKCP is to get input from past participants in order to bridge the gap between industry and academia. On the unique Involve evolving platform, alumni are invited to give Guest Lectures and share their experiences with the students.

#### **Goal 3: Research, Innovation and IPR collaboration with national/international organizations**

By immersing students in survey-based projects and UHV projects from the first year to the final year, HKCP works to build their aptitude for research. All University of Mumbai undergraduate, graduate, and doctorate students are encouraged to compete in the Avishkar events. Projects with funding are essential for high caliber research. We work to increase research funding. Reputable journals with a high impact factor will publish important research. Industry-industry research collaborations will help HKCP promote greater industry-institution communication. There are planned IPR awareness-raising initiatives.

MAHARASHTRA EDUCATIONAL SOCIETY'S  
**H. K. COLLEGE OF PHARMACY**

PRATIKSHA NAGAR OSHIWARA, JOGESHWARI (W), MUMBAI 400102

Affiliated to Mumbai University, Approved by A.I.C.T.E., P.C. I., D.T.E. & Govt. of Maharashtra

University Code: 738 A.I.C.T.E Approval No. 06/07/MS/PHARM/2008/007 D.T.E Code No. PH3234

VISION: To Be recognized as the Institution providing quality education in Pharmacy to serve the health care sector

#### Goal 4: Curriculum flexibility

The institute is affiliated to university of Mumbai and follow the PCI-mandated curriculum, but it will be free to offer additional courses. By offering new programs like Quality Assurance, Regulatory Affairs, Digital Marketing, Artificial Intelligence, Clinical Data Management etc. that are updated with current expected employment requirements, the institution will aim to narrow the knowledge gap between academia and industry.

#### Goal 5: Infrastructure

HKCP currently having a five-story structure. The college currently has a state-of-the-art Central Instrument Lab and Pilot Plant; new tools and equipment will be added to them. As part of our green program, we plan to use solar energy to meet our energy needs. Sensor-controlled tube lights will be put in some places. Other parts of the building will get the facilities. The development of a smart classroom is being planned by HKCP. The college has CCTV in place.

#### Goal 6: Improvement of Institutional Social Responsibility

The goal of HKCP is to develop the students with a sense of civic responsibility. The institute places a big emphasis on student participation and performs a lot of social awareness initiatives through its Public Health Office of the Indian Pharmaceutical Association Maharashtra State Branch - Students Forum. Under its aegis, a variety of health-related activities are carried out, such as blood donation drives, clean-up campaigns, and numerous community outreach efforts like social health and vaccine awareness campaigns. The HKCP PHO is also highly active in setting up initiatives to gather donations of food and clothing for the needy and during times of national emergency. HKCP will continue to use the HKCP Student Council Cell to promote environmental consciousness.

Mr. Waseem Khan

General Secretary,

Maharashtra Educational Society
