Summary of the Lecture/Activity:

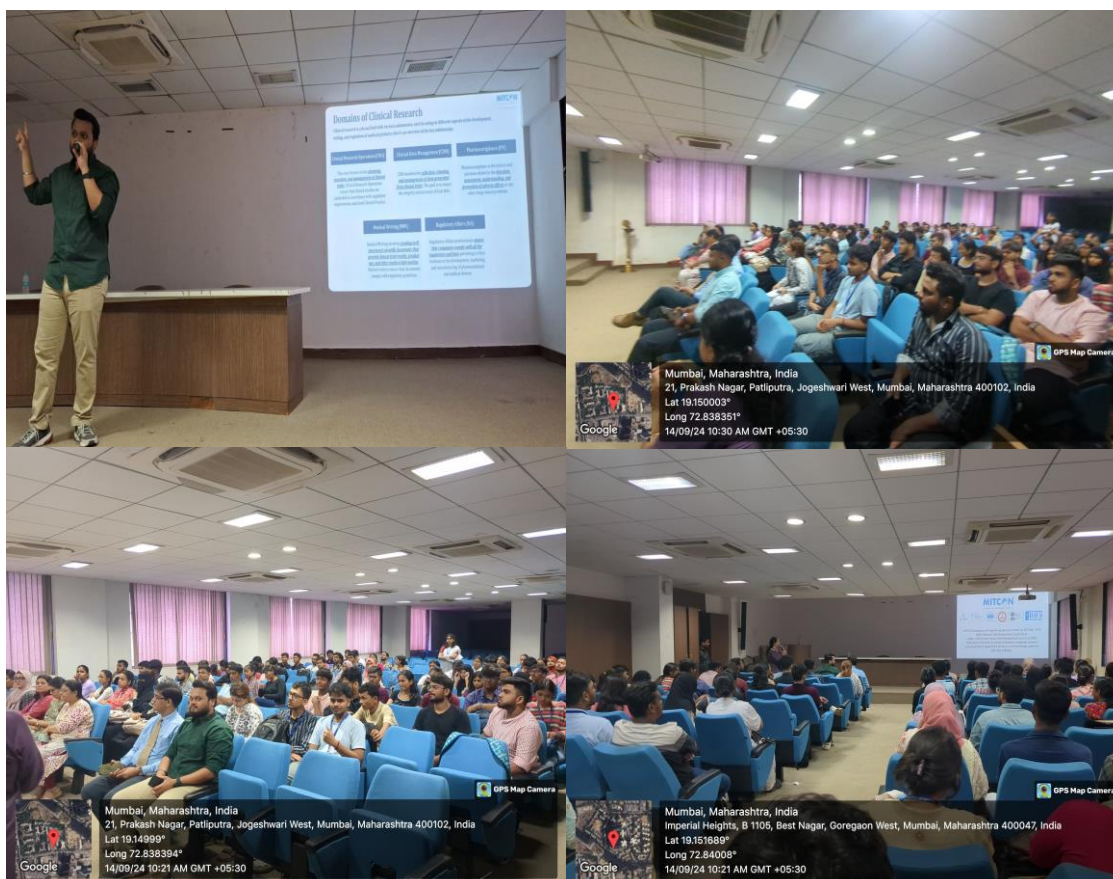

MITCON, Consultancy & Engineering Services Limited is an ISO 9001: 2015, NSDC (National Skill Development Corporation), LSSSDC (Life Sciences Sector Skill Development Council) certified, DSIR (Dept of Scientific & Industrial Research recognized company sponsored by the Department of Science and Technology under Skill India Initiative. MITCON and H. K. College of Pharmacy signed an MoU on 24 Aug 2024 under which resource persons from the company will be train B. Pharmacy students for Value Added Course (a NAAC requirement) titled “Equipping Students for The Pharmaceutical Industry”.

Under this MoU, the First module of the Value-Added Course titled “Comprehensive Career Development in Clinical Research” for Second, Third, and Final year B. Pharm. Students was conducted on 14th Sep 2024.

The purpose of this program was to give students an overview of Clinical Research, its history and importance, current trends in clinical research, its societal and industrial value, and career prospects. The resource person Mr. Abhijeet Gurjar, an industry expert from Pfizer, apprised students about the various roles, qualifications required (with special emphasis on skills required in the field), and potential career paths in the industry. Mr. Gurjar also guided students on how to acquire competency in clinical research jobs by taking up online certificate-based courses. Students were made aware of the global landscape of clinical research, major companies (in India as well as abroad), and regulatory bodies (in India as well as abroad).

Students found the program useful for the advancement of their career post B. Pharmacy program.
