Summary-

The program was started by Dr Jaya Agnihotri by welcome address and briefed everyone about his professional journey and milestones. Dr MADHU BABU BEJJAM gave introduction and different types of patents by giving very simple and practical examples. He makes students familiar with the process of patent, patent fees and timing of patent. During the program he encouraged students to file patents for their simple innovations. He introduced different forms required for patent filing. The program was then open for questions and answers session. The session was concluded by Dr Jaya Agnihotri where she addressed the speaker with vote of thanks.
