

Date/Day: 20.12.2024, 23.12.2024, 04.01.2025

Second Term Training Programme

Objective:

The objective of this training programme was to train the students to carry out extension work projects and to motivate the students to participate in Annual Extension Work Festival.

Program Outcome: PO8, PO11

Details of the Resource person/Event:

The Department of Lifelong Learning and Extension (DLLE) of H.K. College of Pharmacy organized the “Second Term Training Programme”.

Participant details:

Total no. of college students: 180

Total no of Faculty: 02

Summary of the Lecture/Activity:

The Department of Lifelong Learning and Extension (DLLE) at MES's H.K. College of Pharmacy conducted its Second Term Training Program in multiple batches to ensure effective participation and understanding among students. The training took place on December 20, 2024, December 23, 2024, and January 4, 2025, with a total of 180 students participating across three batches.

The program was structured to provide guidance on UDAAN 2025, the Annual Extension Work festival, and a detailed orientation on project reports. The discussions covered the format of reports, hour distribution, and the essay requirements for non-UDAAN participants.

The training was facilitated by Mrs. Dipti Chirmade and Ms. Sayli Sawant, with the use of PowerPoint presentations to enhance understanding. Student managers led the sessions efficiently, ensuring that all doubts regarding DLLE activities and UDAAN 2025 were addressed. The feedback received from participants indicated that the training was highly informative and beneficial, helping students gain clarity on their projects and responsibilities. Overall, the event was well-organized, with student managers displaying excellent teamwork and coordination.

Brochure/Photo Gallery:

Key Outcomes of the Lecture/ Activity:

- The students were introduced to the skill of prioritizing tasks and effective time management.
- The students were encouraged to inculcate lifelong learning habits that would enhance their ability to pursue knowledge.
