Participants Details:

Total no. of college students: 100

Total no of Faculty: 2

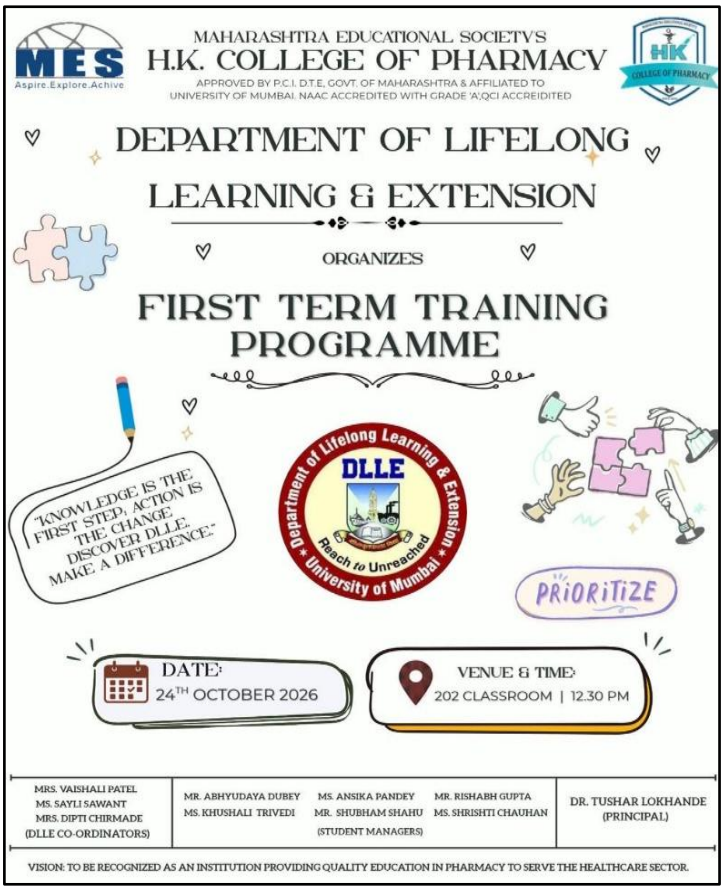

Summary of the Lecture/Activity:

On 24th October 2026 the DLLE unit of MES's H. K. College of Pharmacy organized the First Term Training Program for students registered under DLLE. The session was attended by Ms. Sayli Sawant, Ms. Vaishali Patel (Extension teacher), and the student managers.

The session started with by giving an introduction about the Department of Lifelong Learning and Extension (DLLE) and explained protocol to carry out the extension work projects.

The session encouraged students to take an active role in organizing and participating in various events and extension activities that contribute to the development of both the college and community. The student managers also informed students about the provision of 10 additional marks in the final examination upon successful completion of 120 hours of extension work and submission of the prescribed project report, as per University Ordinance 229A. Students fulfilling these requirements will also be awarded a certificate by the University.

Brochure/Photo Gallery:

Key Outcome of the Lecture/Activity:

- Enhanced understanding of social awareness, community engagement, and the significance of extension education.
- Developed awareness about their roles, duties, and responsibilities of DLLE student volunteers.
- Gained a clear understanding of project activities and their structure and requirements of the 120-hour project framework.
- Improved essential skills such as communication, teamwork, leadership, coordination, and event management.
- Understood the importance of maintaining proper documentation and preparing systematic, evidence-based project reports.
- The orientation and training programme encouraged students to actively participate in future college and community-based initiatives with greater enthusiasm, commitment, and responsibility.
