**Summary of the Activity:**

World Nature Conservation Day is celebrated globally on July 28 each year. It attempts to raise awareness about the natural resources that the planet is endowed with and the necessity of securing their long-term preservation. In this connection at our MES's H. K. College of Pharmacy **Awareness Programme & Quiz Competition** was organized on 'World Nature Conservation Day-2024', on 27<sup>th</sup> July 2024.

Events were conducted in two locations:-

1) At H.K. College of Pharmacy in the auditorium

Through a power point presentation, the students attempted to raise awareness among their fellow classmates. In the auditorium, group of students from Second Year & Third Year B. Pharm. gave a presentation. They chose a range of subjects, including soil erosion and water conservation. Following the presentation, there was a quiz for all the students.

2) At Mumbai Public School, Jogeshwari (W)

As an extension to the awareness program, group of third year students visited the Mumbai Public School at Jogeshwari (W). They addressed the students of 7<sup>th</sup> & 8<sup>th</sup> grade in the school. The students spoke about their opinions on nature conservation school.

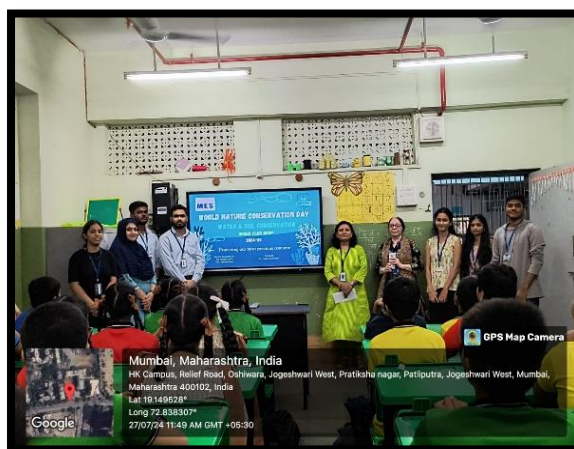

The program was organized by the Extension & Outreach Committee in collaboration with Green Club for inculcating Universal Human Values (UHV) in Youth. The program received excellent participation. Faculty, students and UHV volunteers were enthusiastically engaged in these events. The awareness program organized for the students was very informative and well appreciated by the audience both at the school and college.
