Mr Pradeep Gadre (Managing Director, Scitech specialities and Scitech health) was speaker of the webinar. Mr Gadre had light on

entrepreneurship, innovation etc. He described entrepreneurs as risk and taught about types of entrepreneurs. Various domains like viable business, entrepreneur skills and how to improve upon they were discussed.

- Motivational Sessional:** Maharashtra education society's H.K. College of pharmacy organized a motivational session on "Innovator's Life and Crossroad" on 19th november 2022 at the auditorium HKCP campus. Ms. Shraddha Upadhyay (Co founder CMO ,Itash Sciences) and Ms Sanchita Khatal (Co founder CEO, Itash sciences )were speakers at the session. Topic of this session was idea generation and implementation and overcoming of challenges in entrepreneurship. Speakers discussed their journey as entrepreneurs and challenges faced during the startup.

- Innovation idea competition** was organized by Maharashtra Education Society's H.K. of Pharmacy, with the objective to help students' thinking ability about innovative ideas, inculcate team building attitude and to present ideas and innovation and help in developing public speaking skills. Five proposals were submitted by students in structured format. They were evaluated thoroughly. Proposal Title - 'Technique For Minimizing Loss of Water, Soil & Its Micro-Nutrient For Vulnerable Agricultural Areas' presented by Shubham Sharma, Ritik Singh, Mizan Rizvi were the winners of Competition.

- **National Pollution Control Day** was celebrated on 2<sup>nd</sup> December 2022, HK College of Pharmacy to create awareness among the students and faculty by circulating a presentation/pdf on pollution, its types, and some strategies to control it. Students were asked to look through the presentation/pdf and try to gauge the extent of environmental pollution in their residence/ locality and come up with innovative schemes to address the same. They were also asked to distribute the information from this pdf to the local communities, to create awareness of the pollution they are exposed to.

- **National Energy Conservation Day:** In view of gradual depletion of natural resources and in support of the initiative taken by the Indian Government, H.K.College of Pharmacy had celebrated the 'National Energy Conservation Day' on 14<sup>th</sup> Dec 2022. With a view to make Indian citizens aware of the need for energy conservation, Crossword quiz on energy consumption and conservation was also conducted for the students to commemorate the day.

- **Tree Plantation Drive:** The arrangement for the tree plantation programme was done on 1<sup>st</sup> October 2022 under the guidance of Dr. Indira Parab, along with Mrs. Parimal Kotkar by PHO members Aakash and Khusboo. Saplings of medicinal plants like Kokam, Panvel, Lemon, Gulvel, Hibiscus, Almond etc were brought prior to the event. Fertilizers, gardening pots other arrangements were also done in advance by the faculty incharge and volunteers.

- **World Pharmacist Day** was celebrated on 25<sup>th</sup> September 2022. Students explained the role through dialogue with people with the help of posters. They explained that a pharmacist who plays a key role in the research, formulation, analysis and marketing of drugs is a major part of the healthcare industry. The theme of the day was *“Pharmacists are a trusted source of knowledge and advice, not only for patients but for many healthcare professionals”*.

- Independence Day:** HKCP has decided to celebrate the Independence Day for a week as “Independence week” from 10th August 2022 to 13th August 2022 by organizing competitions like elocution, short poem writing, cloth painting, poster competition, singing and quiz competition under the theme of har ghar tiranga, peace and harmony. The students participated with great enthusiasm. All the events were held in the HK campus and volunteered by cultural committee students. On 15th August the event started with the parade by NCC student Miss Chanchal Laddhad who assisted the guests from the gate to the ground. The Indian flag was hoisted by the guests followed by the national anthem sung by all. The staff and the students were gathered in the auditorium to witness the wonderful performances by the students. The students presented dances on patriotic songs, skits and speeches on Har Ghar Tiranga, and sang a few songs for our nation. The students passed the message of peace, harmony and nation building. We all remembered the sacrifices by our freedom fighters. Further certificates of the pre-independence competitions were distributed to the winners.

- Teachers' day** was celebrated on 5<sup>th</sup> September 2022 in the auditorium. The celebration was organized by the cultural committee and the students.

With Best Wishes,  
Alumni Committee
