Event was coordinated by Dr. Priyanka Goswami.

Health housie competition held on 8.4.21

To combat any medical condition, it is important to know its symptoms so that person can go for medical help as soon as possible. As pharmacy students, we find it as our duty to educate people about various health condition and its symptoms. To create awareness about various diseases, PHO Committee organised an online game competition named Health Housie. 200+ students from various streams pan India participated and played this game. Despite it being an online competition, the participants were highly engaged and ready to learn.
