

Maharashtra Educational Society's
H.K COLLEGE OF PHARMACY

Placement Brochure
2023-24

VISION

To be recognized as the institution providing quality education in pharmacy to serve the healthcare sector

ABOUT US!

HK College of Pharmacy (HKCP) was established in 2006 by Late Prof. Javed Khan, Ex-Education Minister of the State of Maharashtra and approved by UGC, AICTE DTE, PCI and affiliated to the University of Mumbai HKCP is making every effort to provide a sound foundation in pharmaceuticals for its students so that they can contribute to a better and healthier tomorrow. Our qualified, committed, motivated faculty and excellent infrastructural facility provide an academic and professional base to the students.

MISSION

1. By imparting knowledge in the field of pharmacy through continuous Improvement in integrated teaching learning process.
2. All round development of the students by inculcating sense of ethical practices, social empathy and management skills.
3. Encourage students towards higher education and research.

Message from Principal Desk

H.K.College of Pharmacy, has recorded consistent improvement in its academic, research and placement activities. The students of our college stood 1st and 2nd in order of merit in the final year examinations conducted by the Univerity of Mumbai in the year 2019 and 2020 respectively.

We are pleased to introduce our 2021 batch of students for the successful placement session for this year . We are confident that with knowledge gained through academic and various extra curricular activities our students have become professionals to serve the dynamic healthcare system. We look forward to continue a fruitful relationship with your organization.
