Respected Sir/Madam,

We, Nishi Mishra and Roshan Shrivastav, Founders of **Muskurate Raho** NGO and proud alumni of **HKCP College**, write this letter to express our gratitude and share the significant impact that our alma mater has had on our lives and our journey of social work.

We extend our heartfelt appreciation to the Principal of HKCP College for fostering an environment that instilled in us the values of social responsibility. During our time at the college, we understood the importance of giving back to society and making a positive difference in the lives of others.

Muskurate Raho was founded in 2021 and has conducted 85+ drives, including Beach Cleanup Drives, collecting over **200+ tons** of trash, and planting nearly **1700 saplings** in Plantation and Plant Restoration Drives. Additionally, we visit orphanages during festive seasons and run 'Project Pathshala' to teach extracurricular skills to underprivileged students. With the engagement of **10,000+ diverse volunteers**, we take pride in our impactful initiatives over the past two years.

The education, values, and guidance we received from the teachers played a significant role in shaping our perspective and nurturing our desire to create a positive impact. We look forward to staying connected and continuing our journey of making a positive difference in the future.
