### **Summary of the Lecture/Activity:**

MES's H. K. College of Pharmacy's Department of Lifelong Learning and Extension (DLLE) had organized a Workshop on 'Gold Investment Planning' on 6<sup>th</sup> August 2025 for B. Pharmacy students.

This Gold Investment Planning Workshop was specially designed for students to introduce the basics of gold as an investment option. The session aimed to build financial awareness and help young individuals understand how gold can be a smart and safe way to begin their investment journey.

Students learned about different ways to invest in gold, such as physical gold, digital gold, gold ETFs, and sovereign gold bonds. The workshop also explained key concepts like inflation, diversification, and long-term wealth building in simple terms. Through real-life examples, interactive discussions, and expert tips, students gained practical knowledge about making informed financial decisions early in life.

By the end of the workshop, participants not only understood the value of gold in personal finance but were also educated in finance management.
