Summary of Activity:

The inaugural function of the International Seminar Series–2 “What it Takes to Become a Regulatory Leader” commenced at 11:00 AM at the 4th Floor Auditorium, H.K. College of Pharmacy (HKCP) and

was initiated by Dr. Akanksha Singh formally welcomed all delegates and dignitaries and invited the esteemed dignitaries on the dais, including Mr. Arun Mishra, Dr. Jaya Agnihotri, Dr. Archana Upadhyay, and Dr. Mohd. Wais. Dr. Archana Upadhyay felicitated the speaker, Mr. Arun Mishra, with a floral bouquet. The session then began with an expert talk by Mr. Arun Mishra, who provided valuable insights into the role of regulatory affairs in global organizations. He shared his professional journey, highlighting key milestones, challenges, and leadership lessons, and emphasized the importance of regulatory knowledge, ethics, effective communication skills, and adaptability. He also elaborated on emerging regulatory perspectives in dietary supplements, consumer health products, and the growing impact of Artificial Intelligence (AI) and Machine Learning (ML) in regulatory decision-making and compliance processes. Participants gained clarity on global regulatory frameworks and expectations from regulatory professionals, enhancing awareness of career opportunities beyond traditional pharmaceutical roles. The seminar was highly informative and motivating, aligning well with the institution's vision of quality education and industry exposure. The session concluded with an interactive question-and-answer segment, after which the speaker was presented with a certificate of appreciation as a token of gratitude, followed by a formal vote of thanks.
