

Date/Day: 23rd May, 2026 (Saturday)

Title of Event: “New Application and Technology of Modern Capsules”

Objective:

- To provide students with insights into modern capsule technologies and pharmaceutical innovations.
- To understand the latest applications of capsules in pharmaceutical and nutraceutical industries.
- To expose students to industrial perspectives in formulation research and development.
- To bridge the gap between academic learning and industrial pharmaceutical practices.
- To motivate students towards innovation and research-oriented careers in formulation sciences.

Organized by: Maharashtra Educational Society's H.K. College of Pharmacy in collaboration with IQAC and Institution Innovation Council (IIC)

Program Outcome: PO1, PO2, PO3, PO4, PO5.

Layout of the session:

- Formal welcome and introduction of the speaker.
- Expert lecture on modern capsule technology and applications.
- Discussion on recent advances in capsule formulation and delivery systems.
- Interaction session with students regarding pharmaceutical industry opportunities.
- Vote of thanks and conclusion.

Details of the Organizers: Dr. Tushar Lokhande (Principal & Professor of Pharmaceutical Chemistry) and Dr. Akanksha Singh (Associate Professor in Pharmacology)

Details of the Resource Person/Event:

- Speaker: Dr. Jnanadeva Bhat
- Designation: Vice President, Head Formulation R&D (Pharma and Nutra)
- Affiliation: ACG Capsules Worldwide
- Date: 23rd May, 2026
- Time: 11:00 am to 12:00 pm
- Venue: Auditorium, H. K. College of Pharmacy, Mumbai
- Target Audience: Postgraduate pharmacy students, research scholars, and faculty members.

Participants Details:

Total no. of college students: 14

Total no of Faculty: 6

Summary of Activity:

The expert talk on “New Application and Technology of Modern Capsules” was successfully conducted on 23rd May, 2026 at the Auditorium of H. K. College of Pharmacy, Mumbai. The session commenced with a formal welcome extended to the distinguished speaker, Dr. Jnanadeva Bhat, Vice President and Head Formulation R&D (Pharma and Nutra) at ACG Capsules Worldwide.

Dr. Jnanadeva Bhat delivered an informative and insightful lecture highlighting the emerging trends and innovative technologies in modern capsule formulations. The session focused on the role of advanced capsule delivery systems in improving drug delivery, patient compliance, and pharmaceutical manufacturing. The speaker also elaborated on industrial applications, formulation challenges, and future prospects in the pharmaceutical and nutraceutical sectors.

Students and faculty members actively participated in the interactive session and gained exposure to industrial research practices and formulation development strategies. The lecture enhanced the participants' understanding of contemporary pharmaceutical technologies and encouraged students to explore opportunities in formulation research and industrial pharmacy.

The program concluded with a formal vote of thanks expressing gratitude to the speaker for sharing his valuable knowledge and industry expertise.

MAHARASHTRA EDUCATIONAL SOCIETY'S
H. K. COLLEGE OF PHARMACY
Approved by P.C.I.D.T.E. Govt. of Maharashtra & Affiliated to University of Mumbai,
NAAC Accredited with Grade 'A'.
(UNDER THE AEGIS OF IQAC)
INSTITUTION'S INNOVATION COUNCIL ORGANIZES

Expert Talk On:
New application and technology of modern capsules

SPEAKER: DR. JNANADEVA BHAT
Vice president, head formulation R&D (Pharma and Nutra)
at ACG capsules -worldwide

Date: 23rd May 2026
Time: 11am-12pm
Venue: Auditorium

Dr. Tushar Lokhande (Principal)
Dr. Akanksha Singh (Associate professor of pharmacology)

Vision: To be recognized as the institution providing quality education in pharmacy to serve the healthcare sector.

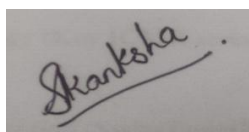

Key Outcome of the Lecture/Activity:

- Participants gained knowledge about modern capsule technologies and their applications in pharmaceutical and nutraceutical industries.
- Students were exposed to current industrial trends, formulation strategies, and innovations in drug delivery systems.
- The session motivated students towards research and career opportunities in formulation development and industrial pharmacy.
